ASSIGNMENT

WHEREAS, CAE Alpheus Inc., a company duly organized and existing under the laws of the State of California (hereinafter referred to as "Assignor"), is the owner of the entire right, title and interest in, to and under the patents and patent applications, and all inventions described therein, listed on Exhibit A attached hereto (collectively "Patents"); and

WHEREAS, Cold Jet Alpheus, LLC, a corporation duly organized and existing under the laws of the State of Ohio (hereinafter referred to as "Assignee"), is desirous of acquiring all right, title and interest in the Patents;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor, hereby sells, assigns, and transfers and sets over, and by these presents do hereby sell, assign, transfer and set over unto Assignee, its successors, legal representatives and assigns, all right, title and interest, in, to and under the Patents, including without limitation all divisions, renewals, continuations, reissues, reexaminations, and extensions thereof, together with the right to file applications therefor in the United States and in any foreign country; and including, but not limited to, the right to recover damages for infringement which occurs prior to the date of this Assignment.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue the same to Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor hereby grants the firm of Frost Brown Todd LLC the power to insert in this Assignment any further identification or information which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

Assignor hereby covenants and agrees that it has full right to convey the interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict herewith.

Assignor hereby further covenants and agrees that it will communicate to Assignee, its successors, legal representatives and assigns, any facts known to it respecting the Patents, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue, reexamination and foreign applications, make all rightful oaths, and generally do everything possible to aid the Assignee, its successors, legal representatives and assigns, to obtain and enforce proper protection for the Patents in all countries.
